COMMUTER™

The Commuter is an everyday carry pocket folding knife designed and built in Gerber's Portland factory. It is just as portable as the ever-popular LST and US1 yet offers a slightly heftier design to fit into a larger hand; it can still be carried comfortably in a pocket, purse or backpack with very little weight added.

BLADE LENGTH: 3.0"
WEIGHT: 1.6 OZ
HANDLE: GLASS-FILLED NYLON W/
RUBBER INSERTS

KNOCK KNOCK.

DOWNRANGE TOMAHAWK
Breaching Tool

DOWNRANGE TOMAHAWK™

A marvel of simplicity, this tool has a single-minded goal: to settle the breaching argument. No barrier is a match for the beveled edge axe head, the hammer head element, or the pry bar built into the tan G-10 composite handle. A 420HC steel body won't break under pressure.

OVERALL LENGTH:	19.3"
WEIGHT:	1.9 OZ
SHEATH:	INCLUDED
HANDLE:	G-10 COMPOSITE

"I've had the Downrange Tomahawk close to a year now. It's been with me everywhere both on and off duty. Used hammer to break locks, and the axe blade goes through everything - wood, brick and metal."
